

FIVE FIRSTS IN GENESIS THREE

Genesis 3:1-15

Introduction: Genesis is the "Book Of Beginnings". Nearly everything that we know about mankind began in Genesis 1.

The Beginning of Man.

The Beginning of Time.

The Beginning of Organic Growth.

In Genesis 2 we see the beginning of woman, and in chapter 4 the beginning of worship and also of death. As we proceed through the book we see nations, governments, and kingdoms. We find the beginning of slavery, of jealousy, and idol worship; but there are five very important things that happen in Genesis 3.

I. The First Mention Of Satan - Gen. 3:1-5.

ii. The First Mention Of Sin - Gen. 3:6-7

iii. The First Mention Of The Saviour - Gen. 3:15

iv. The First Mention Of Sentence (Judgment) - Gen. 3:16-23

v. The First Mention Of Sacrifice - Gen. 3:21
